Emergency Notification Plan – Contact Information Update 2017

Service Address:

To comply with the Colorado Public Utilities Commission Regulation 5411 (a) effective June 1, 2010, it is necessary that we collect your contact information in the event of a declared emergency by Colorado Department of Public Health and Environment. This information is for our use only and will assist us in the event we need to contact you in an emergency as well as advise you of any water service outages.

Code of Colorado Regulations- 4 CCR 723-5

5411 (a) - Every utility shall have in effect a Commission approved emergency notification plan that details how the utility will inform its customers and the community of emergency enforcement action and/or corrective measures required by the Colorado Department of Public Health and Environment.

Please return this form with your payment, or e-mail to administrator@dallascreekwater.com or fax to 970-249-9040.
