Re: Rate Increase Filing – Effective June 1, 2022

Dear Mr. Dean:

Dallas Creek Water Company, Inc. proposes the following rate changes that will become effective on June 1, 2022. Attached to this Second Amended Advice Letter No. 8 are the pertinent pages to the Fourth Revised Tariff reflecting the requested changes to the Company's Tariff. After filing the First Amended Advice Letter No. 8, PUC Staff requested DCWC to make further formatting changes to the First Amended Advice Letter filed on May 3, 2023, which are reflected in this Second Amended Advice Letter filed on May 23, 2022. The proposed rate changes will affect the residential, commercial, and utility customers within the Company's PUC approved service area.
