

NOTICE OF FINAL DECISION BY COLORADO PUBLIC UTILITIES COMMISSION
PROCEEDING NO. 22AL-0192W, DALLAS CREEK WATER COMPANY, INC.

On October 17, 2022, the Colorado Public Utilities Commission issued a final decision in Proceeding No. 22AL-0192W approving the Administrative Law Judge's Recommended Decision No. R22-0572, dated September 27, 2022. The PUC's final decision approves a settlement reached between Dallas Creek Water Company and the Intervenors regarding the rate increases described below, as well as changes to Dallas Creek Water Company's Tariff that were requested in the company's Advice Letter No. 8, Proceeding No. 22AL-0192W. The newly approved rates and changes to the Tariff will go into effect on October 27, 2022.

	<u>Current Rate</u>	<u>Approved Rate</u>
Base Service Charge	\$42.90	\$56.50
Meter In-Service	\$33.70	\$46.00
Customer Usage Fee per 1,000 gal. (up to 10,000 gal. per month)	\$ 9.45	\$11.65
Customer Usage Fee per 1,000 gal. (over 10,000 gal. per month)	\$ 9.45	\$16.30
Water Tap Fee	\$7,000	\$14,000
Water Tap Transfer Fee	\$50.00	\$300.00

A copy of the PUC's Decision No. R22-0572 and the approved Tariff are available for inspection at the business office of Dallas Creek Water Company, Inc. located at 334 South 5th Street, Montrose Colorado 81401, on the company's website at www.dallascreekwater.com, or via the Colorado Public Utilities Commission at 1560 Broadway, Ste. 250, Denver, Colorado 80202.
